

## Moorpark Field Hockey Center

All matches will be played at the Moorpark Field Hockey Center located on the beautiful campus at Moorpark College.

The Field Hockey Federation has just put in a new water based artificial surface specifically for Field Hockey. Most clubs in So Cal use this field as their clubs match facilities.

Ventura County has long been a hotbed for USA Field Hockey Olympians. Most have started their careers at this Regional Hockey Center.

Did you know that Moorpark has a Men's High Performance team that has won USA field hockey's national championships for the past two years at the Senior level? We are also last year's Under-20 Junior Champions.

Many universities offer scholarships to young women in the sport of field hockey. We are pleased to inform you of our college development program called USA Futures. This program begins in January 2008 (and is open to high school aged young women).

Young men have the opportunity to play in Pan American, World Cup, and Olympic Games.

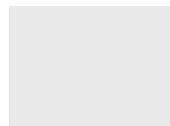

We are excited to get your son or daughter to join these exciting extra curricular programs to enhance their field hockey skills.

## Boys and Girls can sign up for Field Hockey now!

Field Hockey has been instituted into your son or daughters Middle School athletic curriculum.

The Field Hockey Federation has received generous support from the United States Field Hockey Association, The Men's Field Hockey Foundation and the LA84 Foundation, to bring the Olympic sport of Field Hockey into many Ventura County middle schools.

Field Hockey is similar to soccer as far as field size, player positioning and safety record. The only real difference is the baseball sized ball is moved around the field using different hitting/pushing and dribbling techniques.

The season runs from the 9th of February to May 10th. All games are played at Moorpark College in Moorpark, on Saturdays.

The Field Hockey Federation has 4 local clubs in the Ventura County area to serve your family's needs.

Please see the sign up schedule for dates and times. The cost is \$125

## What will my child need to play Field Hockey?

If they play soccer, they already have a set of shin guards. We would also suggest a mouth guard.

The uniform and all fees are included in the \$125 sign up cost.

To purchase a field hockey stick(prices start at around \$35-40 dollars), please go to the following sites:
